Subject: Proposal for Research Collaboration

Dear [Recipient's Name],

Introduction

We are pleased to propose a collaborative research project focused on [briefly describe research topic]. This project aims to [state the main objectives of the research].

Background

[Provide background information on the research area, including key findings and relevance to current studies.]

Proposed Objectives

- [Objective 1]
- [Objective 2]
- [Objective 3]

Methodology

[Briefly outline the methodology that will be used for the research.]

Expected Outcomes

[Discuss the expected results and potential impact of the research.]

Collaboration Benefits

[Detail the benefits of collaboration for both parties, including resource sharing, expertise, etc.]

Next Steps

I would love to discuss this proposal further and explore how our teams can effectively collaborate. Please let me know a convenient time for you to meet.

Thank you for considering this opportunity. I look forward to your positive response.

Sincerely,

[Your Name]
