[Institution Address]

Dear [Recipient's Name],

I hope this message finds you well. I am [Your Name], [Your Position] at [Your Institution]. I am reaching out to propose a collaborative research initiative that I believe aligns closely with the interests and strengths of both our institutions.

Our research team at [Your Institution] has been exploring [brief description of research topic], and we have made significant progress in [mention key findings or advancements]. Given your work in [Recipient's area of expertise] and your team's accomplishments at [Recipient's Institution], I am convinced that a partnership could yield impactful results.

I propose that we consider a collaborative project to investigate [specific research question]. Our combined expertise in [mention relevant fields or techniques] can help us achieve [mention potential outcomes or goals]. I envision that this partnership could lead to [mention potential publications, grant applications, etc.].

I would be happy to discuss this proposal further at your convenience. Please let me know if you would be available for a meeting in the coming weeks to explore this opportunity. I look forward to the possibility of working together.

Thank you for considering this proposal. I am eager to hear your thoughts.

Sincerely,
[Your Name]
