

# Ethical Considerations for Thesis Research

Date: [Insert Date]

To Whom It May Concern,

I am writing to present the ethical considerations related to my thesis research titled "[Insert Thesis Title]." This research project aims to [briefly describe the purpose of the research].

## Research Overview

The study involves [describe research methods and participants involved, e.g., surveys, interviews, etc.].

## Informed Consent

Informed consent will be obtained from all participants prior to their involvement in the study. Participants will be provided with detailed information about the research, ensuring they understand the purpose and procedures involved.

## Confidentiality

Participants' confidentiality will be maintained throughout the research process. All data collected will be anonymized and securely stored, accessible only to the research team.

## Potential Risks

While the research poses minimal risks, we have developed strategies to address any potential discomfort experienced by participants. They will have the right to withdraw from the study at any point without consequence.

## Ethical Approval

This research proposal has been submitted for ethical review and is pending approval from the relevant ethics committee.

Thank you for your attention to these important ethical considerations. Please feel free to reach out if you have any questions or require further information.

Sincerely,
