

Ethical Research Guidelines for University Students

Date: [Insert Date]

Dear [Student's Name],

As you embark on your research project, it is essential to adhere to the ethical guidelines outlined by [University Name]. These guidelines ensure integrity and credibility in your research activities. Please review the following key points:

1. Respect for Persons

Ensure that participants provide informed consent before participating in your study.

2. Beneficence

Aim to minimize harm and maximize benefits in your research procedures.

3. Justice

Ensure fair distribution of the benefits and burdens of research participation.

4. Confidentiality

Safeguard the privacy of your participants and maintain the confidentiality of their data.

5. Compliance and Monitoring

Obtain necessary approvals from the Institutional Review Board (IRB) and adhere to all relevant regulations.

If you have any questions regarding these guidelines or need further clarification, please do not hesitate to reach out.

Best regards,

[Your Name]
