Subject: Safety Protocols During Renovation Activities

Dear [Recipient's Name],

As we prepare to commence the renovation activities scheduled for [insert dates], it is crucial to communicate the safety protocols that must be adhered to by all personnel involved. Our primary goal is to ensure the safety and well-being of everyone on site.

## Safety Protocols:

- All personnel must wear appropriate personal protective equipment (PPE) at all times.
- Access to the renovation site will be restricted to authorized personnel only.
- Emergency exits and equipment must be clearly marked and accessible.
- Regular safety briefings will be conducted before the start of each day.
- Any hazards identified must be reported immediately to the site supervisor.

Please ensure that all team members are familiar with and understand these protocols prior to the commencement of the renovation activities. Your cooperation is vital in maintaining a safe working environment.

Thank you for your attention to this important matter.

Sincerely,
