To Whom It May Concern,

We are reaching out to ensure a pleasant dining experience for our family, particularly with regard to specific dietary needs that some members of our party have. Below are the dietary requirements:

- Gluten-free alternatives
- Nut-free meals
- Low-sugar dessert options

We would greatly appreciate it if you could accommodate these needs. If possible, please provide information on the available options ahead of our visit.

Thank you for your attention and assistance in making our dining experience enjoyable for everyone.
