Dear [Farm Owner's Name],

We are excited to explore a partnership with [Farm Name] as we strive to provide the freshest, local ingredients in our restaurant while ensuring the safety and satisfaction of our guests with food allergies.

As part of our commitment to transparency, we are implementing an allergen menu guide that outlines common allergens present in our dishes. This guide will help our staff educate diners about the ingredients used, highlighting specific allergens derived from your farm's products.

We would like to request your assistance in providing detailed allergen information on the produce and products we source from you. This will enable us to maintain a comprehensive menu guide that is both informative and safe for our customers.

We value your expertise and would appreciate the opportunity to collaborate on this initiative. Please let us know a convenient time for us to discuss this partnership further.

Thank you for your attention and support. We look forward to working together to enhance our community's dining experience.

Sincerely,
