Subject: Hazard Evaluation for [Project Name]

Dear [Recipient Name],

We are writing to inform you of the results of our recent hazard evaluation conducted for the [Project Name] located at [Project Address]. This evaluation aims to identify potential hazards associated with the construction activities and ensure a safe working environment for all personnel involved.

Identified Hazards

- Hazard 1: [Description]
- Hazard 2: [Description]
- Hazard 3: [Description]

Recommended Mitigation Measures

- Mitigation 1: [Description]
- Mitigation 2: [Description]
- Mitigation 3: [Description]

We recommend conducting regular safety meetings and implementing the necessary training sessions to ensure all workers are aware of the hazards and mitigation measures.

Please feel free to reach out if you have any questions or need further information regarding the evaluation.

Best regards,
