Dear [Recipient's Name],

I am writing to formally express my concern regarding the excessive noise generated by the construction work occurring at [Construction Site Address]. As a resident of [Your Address], the noise levels have become increasingly disruptive to my daily life, especially during [mention specific times, e.g., early mornings or late evenings].

While I understand that construction is essential for development, I believe that there should be regulations in place to minimize noise disturbances, especially in residential areas. I kindly ask that you consider implementing noise reduction measures and to communicate the working hours more clearly to residents.

I appreciate your attention to this matter and look forward to your prompt response.

Sincerely,

[Your Name]
