Dear [Recipient's Name],

I am writing to formally request approval for the management of construction refuse associated with our project located at [Project Address]. We understand the importance of proper refuse management to ensure compliance with local regulations and to minimize environmental impact.

Our construction plan includes the following refuse management strategies:

- Separation of recyclable materials from non-recyclables.
- Regular pickup schedule by licensed waste management service.
- Designated disposal areas for hazardous materials.

We are committed to following all relevant guidelines and ensuring that the management of construction debris is conducted safely and efficiently. We have attached the necessary documentation for your review, including our refuse management plan and permits.

Thank you for considering our application. We look forward to your prompt approval so that we can proceed with our project in accordance with all regulations.

Sincerely,
[Your Name]
