

Notification of Breach of Contract

Date: [Insert Date]

To: [Contractor's Name]

Company: [Contractor's Company Name]

Address: [Contractor's Address]

Dear [Contractor's Name],

Subject: Breach of Construction Contract - Safety Violations

We are writing to formally notify you of a breach of the construction contract entered into on [Insert Contract Date] for the project located at [Insert Project Location]. It has come to our attention that there have been multiple safety violations occurring on the job site that are in direct violation of our contractual agreement and applicable safety regulations.

The specific violations include, but are not limited to:

- [Violation 1]
- [Violation 2]
- [Violation 3]

These violations pose significant risks to the safety of workers and the integrity of the project. We request that you take immediate corrective actions to address these issues within [Insert Timeframe, e.g., 7 days] of this notice to avoid further penalties as stipulated in our contract.

Failure to rectify the noted safety violations may result in additional actions, including but not limited to withholding payments, contract termination, or legal remedies.

We expect your prompt attention to this serious matter. Please confirm receipt of this notification and outline your plan to resolve the violations mentioned above.

Thank you for your cooperation.

Sincerely,

[Your Name]
