Dear Team,

As part of our commitment to ensuring a safe and healthy work environment, we have established the following health and wellness policies. Your adherence to these guidelines is crucial in promoting the well-being of all team members.

1. Personal Protective Equipment (PPE)

All team members are required to wear appropriate PPE at all times on-site. This includes hard hats, gloves, safety glasses, and steel-toed boots.

2. Health and Safety Training

Mandatory health and safety training sessions will be conducted quarterly. Attendance is required for all team members.

3. Wellness Breaks

Take regular breaks to hydrate and rest. Scheduled breaks will be provided to ensure everyone's well-being.

4. Reporting Injuries

All injuries, no matter how minor, must be reported to the supervisor immediately.

5. Substance Abuse Policy

We maintain a strict zero-tolerance policy for drug and alcohol use on-site. Violations will result in immediate disciplinary action.

Conclusion

Your health and safety are our top priority. By following these policies, we can work together to create a safe and productive environment.
