Dear [Recipient Name],

As part of our ongoing commitment to secure and responsible usage of our API, we would like to remind you of the compliance requirements associated with its use.

Compliance Requirements:

- All API requests must include valid authentication credentials.
- Data retrieved from the API must be handled in accordance with our data privacy policy.
- You must not exceed the rate limit set for our API.
- Integration of the API should not compromise the performance and security of our services.
- Any misuse of the API may result in suspension or termination of access.

We appreciate your cooperation and commitment to maintaining the integrity of our API services. Please feel free to reach out if you have any questions or require further clarification on these compliance requirements.

Thank you for your attention to this matter.

Sincerely,
