Dear Beta Testers,

We are excited to announce the latest update of our mobile app, version 2.1.0, which is now available for testing!

What's New:

- Improved user interface for easier navigation
- Bug fixes and performance enhancements
- New features including personalized notifications and faster load times

How to Update:

Please visit the beta testing group for the new build download link and instructions on how to update your app.

Feedback:

Your feedback is invaluable in helping us improve the app. Please share any thoughts, issues, or suggestions you may have after using the new version.

Thank you for your continued support and participation in our beta program!

Best regards,
The [App Name] Team
