Dear [Recipient Name],

I am writing to submit my project titled "[Project Title]" for consideration in the [Competition/Program Name] Innovation Project entry.

This project aims to [briefly describe the purpose and goals of the project]. By implementing this innovation, we hope to [explain the potential impact or benefits of the project].

Attached to this letter are the detailed project proposal, a budget overview, and a timeline for implementation.

Thank you for your consideration. I look forward to your response.

Sincerely,

[Your Name]

[Your Title/Position]
