

# Feedback Request on Wireless Network Upgrade

Dear Team,

As part of our ongoing efforts to enhance the workplace experience and ensure optimal connectivity, we are considering an upgrade to our current wireless network. Your feedback is crucial to making this decision.

We would greatly appreciate it if you could take a moment to share your thoughts on the following:

- Current wireless network performance (speed, reliability, etc.)
- Specific areas where you experience connectivity issues
- Features you would like to see in the upgraded network (e.g., improved coverage, faster speeds)
- Any additional comments or suggestions

Please reply to this email by **[Insert Deadline]** with your feedback. Your input is invaluable in helping us create a better working environment for everyone.

Thank you for your attention and cooperation!

Best regards,
