Dear [Recipient's Name],

I hope this message finds you well. I am reaching out to request your assistance in gathering software engagement metrics that are essential for our ongoing evaluation of [specific software or project name].

We are particularly interested in the following metrics:

- User engagement rates
- Session duration
- Feature usage statistics
- Feedback and user satisfaction scores

These insights will be invaluable in enhancing our software's performance and user experience. If you could provide this data by [insert deadline], it would be greatly appreciated.

Thank you for your attention to this matter. Please feel free to reach out if you have any questions or need further clarification.

Best regards,
