

# Dear Valued User,

We are excited to announce the introduction of enhanced security features in our mobile application, designed to offer you an even safer and more secure experience.

## What's New?

- **Two-Factor Authentication:** Adding an extra layer of protection to your account.
- **Biometric Login:** Seamless access using your fingerprint or facial recognition.
- **Real-Time Alerts:** Instant notifications for any suspicious activity on your account.

We believe these enhancements will provide you with peace of mind while using our app. Your security is our top priority, and we are committed to keeping your information safe.

## Getting Started

To enable these features, please update your app to the latest version in your app store and follow the on-screen instructions.

Thank you for choosing our app. If you have any questions or need support, please do not hesitate to contact our customer service team.

## Stay Safe,

The Mobile App Team
