[School Address]

Dear [Principal's Name],

I hope this letter finds you well. I am writing to formally report some discriminatory practices that I have observed at our school. It is important to bring these issues to your attention to ensure a safe and inclusive environment for all students.

Observations:

- Instances of bullying based on race/ethnicity in the playground.
- Unequal treatment of students during academic activities based on gender.
- Lack of representation of diverse cultures in school events and curriculum.

Impact:

These practices not only harm the affected students' mental and emotional well-being but also create a hostile environment that undermines our school's values of equality and respect.

Recommendations:

- Conduct workshops on diversity and inclusion for students and staff.
- Implement a reporting system for students to confidentially share their experiences.
- Review and improve school policies related to discrimination and bullying.

I believe addressing these issues is crucial for promoting a positive school culture. Thank you for your attention to this important matter. I look forward to your response.

Sincerely,
