Dear [Recipient's Name],

We are writing to propose a structured plan for maintaining the essential connections between siblings during their time in placement. Recognizing the importance of these relationships, our proposal outlines strategies that ensure siblings can remain connected despite their physical separation.

Objectives

- To promote emotional well-being among siblings during placement.
- To foster strong family ties and support networks.
- To facilitate regular and meaningful communication.

Proposed Strategies

1. Regular Phone or Video Calls: Establish scheduled times for siblings to connect.
2. Visitations: Arrange for periodic in-person visits when feasible.
3. Shared Activities: Provide opportunities for siblings to engage in activities together virtually.
4. Support for Transition: Offer support for siblings to express their feelings and maintain connections.

Conclusion

Maintaining sibling connections during placement is vital for their emotional health and overall family cohesion. We believe that implementing this proposal will provide valuable support to the siblings while they navigate their unique circumstances.

Thank you for considering this important initiative. We look forward to the opportunity to discuss this proposal further.
