

Request for Sibling Placement in Foster Care

Date: [Insert Date]

To Whom It May Concern,

My name is [Your Name], and I am writing to formally request the placement of my sibling, [Sibling's Name], into a foster care home that can accommodate us together. It is important for us to maintain our bond during this time of transition and uncertainty.

[Sibling's Name] and I have always supported each other, and being apart would not only be emotionally challenging for both of us but could also interfere with our adjustment to foster care. We believe that together we can provide comfort and stability for one another.

I understand that there may be various factors to consider regarding foster placements, but I strongly urge you to consider placing us together. We can provide references and additional information regarding our relationship and needs if required.

Thank you for taking the time to consider our request. I appreciate your attention to this matter and look forward to your understanding response.

Sincerely,

[Your Name]
