

Inquiry about Online Learning Outcomes and Support

Dear [Recipient's Name],

I hope this message finds you well. I am writing to inquire about the online learning outcomes and the support available for students participating in your online courses.

As I consider enrolling in your programs, I would like to understand the following:

- What are the learning outcomes for your online courses?
- What kind of academic support services are provided to online students?
- Are there any resources or tools available to help students succeed in an online learning environment?

I appreciate your attention to these questions and look forward to your response.

Thank you for your assistance.

Sincerely,

[Your Name]
