Subject: Request for Modifications to Lunch Menu Options

Dear [Recipient's Name],

I hope this message finds you well. I am writing to formally request some modifications to the current lunch menu options available at [School/Company Name]. As a [student/employee/parent], I believe that introducing a variety of choices that cater to diverse dietary needs would greatly enhance our lunch experience.

Specifically, I would like to propose the addition of:

- More vegetarian and vegan options
- Gluten-free meal choices
- More ethnic cuisines to represent our diverse community

I believe these changes would not only satisfy the preferences of many individuals but also promote healthier eating habits among us all.

Thank you for considering this request. I am looking forward to your positive response.

Sincerely,

[Your Name]
