

Suggestion for Updating Lunch Menu Items

Dear [Lunch Menu Coordinator's Name],

I hope this message finds you well. I would like to suggest some updates to our current lunch menu that I believe would enhance our dining experience.

1. **Grilled Chicken Salad:** A lighter option with fresh greens, cherry tomatoes, and a homemade vinaigrette.
2. **Vegetarian Quinoa Bowl:** Packed with nutrients, this bowl can include seasonal vegetables and a tangy dressing.
3. **Seafood Tacos:** A delicious and fun addition, served with salsa and avocado.

These new items could not only provide more variety but also cater to diverse dietary preferences. Thank you for considering these suggestions.

Best regards,
