

Community Update on Family Situation

Dear Community Group Members,

We hope this message finds you well. We are reaching out to inform you about some recent updates regarding our family situation that may impact our involvement in community activities.

As many of you may know, our family has been going through some changes lately. [Briefly describe the situation, e.g., "We recently welcomed a new member to our family" or "We are experiencing a temporary health-related issue."]

We wanted to keep you all informed so that you can understand our availability and participation in upcoming events. While we are committed to staying involved, there may be times when we need to prioritize family needs.

We appreciate your understanding and support during this time. Please feel free to reach out if you have any questions or if you'd like to discuss how we can still contribute to our community during this period.

Thank you for your kindness and solidarity.

Sincerely,

[Your Name]
