

Dear Family

I hope this letter finds you well. I wanted to take a moment to update you on some evolving dynamics within our family.

First and foremost, I am pleased to share that **[Name]** is expecting a baby in **[Due Month]**. We are all very excited to welcome a new member into the family!

In addition, **[Name]** has decided to pursue a new career path and will be relocating to **[City]** next month. While we will miss them dearly, we fully support their decision and can't wait to see what the future holds.

Lastly, as many of you know, **[Name]** has been facing some health challenges. We are rallying around them and doing our best to provide support as a family. Any positive thoughts or prayers would be greatly appreciated.

Thank you for being such a wonderful family. I look forward to hearing back from each of you and hope to gather together soon to celebrate these new changes!

With love,

[Your Name]
