

# Dear Parents and Guardians,

In our ongoing effort to support your child's education, we are pleased to provide you with a list of resources that can assist you in helping your child with homework and assignments.

## Online Resources:

- [Khan Academy](#) - Offers free lessons and exercises on a variety of subjects.
- [Edmodo](#) - A platform for communication between parents, students, and teachers.
- [Brainly](#) - A homework help and collaboration platform where students can ask questions.

## Local Tutoring Services:

Consider reaching out to local tutoring centers such as:

- Bright Minds Tutoring
- Learn & Grow Tutoring Services
- Your Neighborhood Tutors

## Tips for Homework Assistance:

1. Establish a consistent homework routine.
2. Create a quiet and comfortable workspace.
3. Encourage your child to ask questions when they need help.

Thank you for your continued support in your child's education. Together, we can foster a productive learning environment.

Sincerely,

Your Child's Teacher
