Subject: Proposal for Joint Effort in Homework Completion

Dear [Instructor's Name],

We hope this message finds you well. We are writing to propose a joint effort in completing the upcoming homework assignment for [Course Name]. We believe that collaborating on this project will allow us to combine our strengths and increase our understanding of the material.

Our plan is to meet regularly to discuss our ideas, divide the work based on our individual strengths, and ensure that we both contribute equally to the project. We feel that this collaboration will not only help us achieve a better result but also foster a deeper engagement with the subject matter.

We would appreciate your support for this joint effort. If approved, we will ensure to follow all guidelines set out for group work and submit our individual contributions promptly.

Thank you for considering our proposal. We look forward to your response.

Sincerely,
