Subject: Financial Plan for Intervention Resources

Dear [Principal's Name],

I am writing to present a financial plan aimed at acquiring essential intervention resources for our classroom to support student learning and development. The need for these resources has become increasingly apparent as we strive to meet the diverse needs of our learners.

## Objectives

- Enhance student engagement and comprehension.
- Provide targeted support for struggling students.
- Foster a positive learning environment.

## Proposed Resources

- Reading intervention kits: \$500
- Math manipulatives: \$300
- Technology tools (tablets, software): \$800

## Total Estimated Budget: \$1600

By investing in these resources, I believe we can significantly improve our students' academic performance and overall experience. I appreciate your consideration of this financial plan and look forward to discussing it further.

Thank you for your attention.

Sincerely,
