

Dear Guardians,

We hope this message finds you well. As part of our commitment to ensuring a safe and healthy environment for our students, we would like to share our classroom hygiene practices.

Hygiene Practices:

- Regular hand washing with soap and water.
- Use of hand sanitizer when soap is not available.
- Sanitization of desks and high-touch surfaces daily.
- Encouragement of personal item management to minimize sharing.
- Implementation of a "no food sharing" policy.

We also encourage you to reinforce these practices at home. Together, we can maintain a clean and safe learning environment for our children.

Thank you for your cooperation and support.

Sincerely,

The Classroom Management Team
