Subject: Partnership Strategy Review for Goal Setting

Dear [Partner's Name],

I hope this message finds you well. As we approach the end of [current period], I would like to propose a comprehensive review of our partnership strategy to align our goals for the upcoming [next period].

In order to maximize our impact and ensure we are moving in the right direction, I suggest we discuss the following topics during our review:

- Evaluation of current partnership outcomes
- Assessment of market trends and shifts
- Identification of new opportunities for collaboration
- Setting measurable goals for the next quarter/year

Please let me know your availability for a meeting in the coming weeks. I believe that a strategic alignment will strengthen our partnership and lead to mutual success.

Looking forward to your response.

Best regards,
