Dear [Partner's Name],

I hope this message finds you well. As we continue our collaboration, I would like to discuss the potential for financial integration between our companies. This initiative aims to streamline our operations, align our financial strategies, and enhance our overall efficiency.

I propose scheduling a meeting to explore this matter further, review our current financial processes, and identify areas where we can integrate effectively. Please let me know your availability for a discussion in the coming weeks.

Thank you for considering this opportunity. I look forward to your response.

Best regards,
