To Whom It May Concern,

I am writing to apply for seed funding to support the development of our innovative product, [Product Name]. This product aims to [briefly describe the product's purpose and the problem it addresses].

Our team believes that [Product Name] has the potential to [describe the impact of the product, market potential, or customer benefit]. We have conducted extensive market research, which indicates a growing demand for this solution.

To bring [Product Name] to market, we are seeking a total of [amount of funding] in seed funding. These funds will be allocated towards [list key areas for fund allocation such as R&D, marketing, production, etc.].

Thank you for considering our application. I am looking forward to the opportunity to discuss this exciting project further.

Sincerely,

[Your Name]
