Dear [Recipient's Name],

I am writing to provide feedback on the recent foreign investment policy proposed by [Relevant Authority/Organization]. As a concerned stakeholder, I appreciate the efforts made to create a conducive environment for foreign investors. However, I would like to highlight certain aspects that could enhance the policy's effectiveness:

1. **Transparency:** Clear guidelines on investment procedures will foster greater trust among potential investors.
2. **Incentives:** Offering tax breaks for foreign investments in specific sectors could stimulate economic growth.
3. **Regulatory Framework:** Streamlining regulations will reduce bureaucratic hurdles and encourage more foreign entities to invest.

I believe that if these suggestions are considered, it will significantly improve the overall framework and attract more foreign investments. Thank you for your attention to this matter. I look forward to seeing the positive changes in the finalized policy.

Sincerely,
