Dear [Grant Agency Contact's Name],

I am writing to formally request the renewal of our grant for the [Project Title] under the [Specific Program Name], which has been instrumental in advancing our research on [specific environmental issues]. Over the past year, our team has made significant progress in achieving the objectives outlined in our initial proposal.

During the previous funding period, we successfully [briefly summarize achievements, such as completed studies, data collected, partnerships formed, etc.]. Our findings have contributed to [specific outcomes or impacts in the field].

We are now seeking to expand our research efforts to further investigate [briefly describe new goals or directions for research]. With the renewal of this grant, we will continue to [mention how funds will be used, e.g., support research activities, hire staff, etc.].

We believe that our ongoing work aligns closely with the objectives of [Grant Agency Name], and we are committed to addressing [mention any broader environmental goals or initiatives]. Enclosed, please find our detailed proposal for your review, including our project timeline and budget.

Thank you for considering our request for grant renewal. We look forward to the opportunity to continue our valuable work with your support.

Sincerely,
