Dear [Recipient's Name],

I hope this letter finds you well. My name is [Your Name], and I am reaching out to inquire about potential funding opportunities related to mental health initiatives. I am particularly interested in exploring programs that support [specific focus area or demographic] and enhance mental health resources in our community.

We are committed to improving mental health awareness and access to services, and any information regarding available grants or funding sources would be immensely helpful. I would appreciate any guidance or resources you could provide.

Thank you for your time and consideration. I look forward to your response.

Sincerely,

[Your Name]
