## **Subject: Application for Rural Water Supply Grant**

Dear [Grant Provider's Name],

We are writing to apply for the Rural Water Supply Grant to fund our project aimed at providing sustainable and safe drinking water to the residents of [Community/Area Name]. Our community has been facing significant challenges in accessing potable water, which has impacted health and livelihoods.

Our proposed project includes:

- Drilling a new borehole
- Installation of a solar-powered water pump
- Construction of a community water distribution system
- Implementation of health education programs on water hygiene

The total budget for this project is [insert budget amount], and we are seeking a grant of [insert amount requested]. We have also secured commitment from local stakeholders and plan to engage community members actively in the implementation process.

Please find attached the detailed project proposal and budget outline for your review. We are excited about the potential positive impact this project will have on our community and look forward to the opportunity to collaborate with [Grant Provider's Organization].

Thank you for considering our application. We hope to discuss this proposal further and answer any questions you may have.

Sincerely,
