Dear [Recipient's Name],

I am writing to request funding for our STEM education program, [Program Name], which aims to provide students with the necessary skills and knowledge to thrive in the fields of science, technology, engineering, and mathematics. Our program serves [number] students in [location], and we aim to expand our reach in the coming year.

With the increasing demand for STEM professionals, it is critical to inspire and cultivate interest in these subjects at an early age. Our program includes hands-on workshops, mentorship opportunities, and collaborative projects designed to engage students and enhance their learning experiences.

We are seeking a total of [amount] to support [specific needs such as materials, equipment, or salaries]. Your support would not only enhance our curriculum but also ensure that students have access to the resources they need to succeed.

We would be grateful for the opportunity to discuss this funding request further and explore potential collaboration. Thank you for considering our proposal. I look forward to your positive response.

Sincerely,

[Your Name]
