Dear [Recipient Name],

I am writing to propose a grant funding request for our initiative aimed at enhancing digital literacy within the [Community Name]. Our organization, [Your Organization], has recognized a growing need for digital skills among community members to help them navigate today's technology-driven world.

Project Overview

The "Digital Literacy for All" program seeks to provide comprehensive training sessions, resources, and support to individuals of all ages in [Community Name]. Our goal is to empower community members with the skills needed to effectively use technology in their daily lives.

Objectives

1. Provide basic computer skills training to 100 community members.
2. Host workshops on internet safety and digital citizenship.
3. Create a resource hub for ongoing support and learning.

Budget

We are requesting a grant of [Amount] to cover costs related to training materials, instructor fees, and technology resources.

Conclusion

Your support will be instrumental in advancing digital literacy within our community. We appreciate your consideration of our proposal and look forward to the possibility of partnering with [Funding Organization].

Thank you for your time and support.

Sincerely,
