Dear [Recipient's Name],

We are writing to propose a collaboration aimed at advancing our understanding of marine ecosystems through dedicated research efforts. Given the urgent need to address the challenges posed by climate change and human activities on marine environments, we believe that a partnership could significantly contribute to impactful research outcomes.

Our project, titled "[Project Title]," focuses on [briefly describe the objectives and scope of the project]. By leveraging both our organization's resources and expertise, we aim to [state the intended impact or benefits of the research].

We kindly request your support in the form of [specify the type of support needed, e.g., funding, equipment, collaboration]. Your involvement would not only enhance the research quality but also align with your organization's dedication to marine conservation and sustainability.

We would appreciate the opportunity to discuss this proposal further and explore how we can work together to achieve our shared goals. Please let us know a convenient time for you to meet, or we can arrange a call at your earliest convenience.

Thank you for considering our proposal. We look forward to the possibility of collaborating with you.

Sincerely,
