Dear [Recipient's Name],

I am writing to inquire about the availability of funding opportunities for multicultural education initiatives. As an educator committed to fostering an inclusive and diverse learning environment, I am interested in exploring ways to enhance our curriculum and resources to better serve our multicultural student population.

Could you please provide information on any current funding programs or initiatives that support multicultural education? Additionally, I would appreciate any details regarding the application process, eligibility criteria, and deadlines.

Thank you for your time and assistance. I look forward to your response.

Sincerely,
