Dear [Recipient Name],

I am writing to express my interest in the Chemical Engineering Internship position listed on [Where you found the internship posting] at [Company Name]. I am currently pursuing my degree in Chemical Engineering at [Your University], and I am eager to apply my knowledge and skills in a practical setting.

Through my academic experience, I have gained a solid foundation in chemical processes and applied thermodynamics. I have also been involved in various projects, including [briefly mention relevant projects or experiences], which have honed my analytical and problem-solving abilities.

I am particularly drawn to [Company Name] because of [specific reason related to the company or its projects/initiatives]. I believe that an internship with your team would provide me with invaluable insights and experiences that would be beneficial as I embark on my professional career in chemical engineering.

Enclosed with this letter is my resume, which provides further details regarding my education and experiences. I am looking forward to the opportunity to discuss my application with you and explore how I can contribute to your team.

Thank you for considering my application. I hope to hear from you soon.

Sincerely,
[Your Name]
