Dear [Employer's Name],

I am writing to express my interest in the Electrical Engineering Internship position at [Company's Name], as advertised on [where you found the job listing]. I am currently pursuing my degree in Electrical Engineering at [Your University] and am eager to apply my academic knowledge in a practical setting.

Throughout my studies, I have developed a solid foundation in electrical systems, circuit design, and digital signal processing. I have completed coursework that includes [mention relevant courses] and have gained hands-on experience through [mention any relevant projects, labs, or extracurricular activities].

I am particularly drawn to [Company's Name] because of [mention something specific about the company or projects they work on]. I am excited about the opportunity to contribute to your team while continuing to develop my skills and knowledge in electrical engineering.

Enclosed is my resume for your review. I hope to discuss my application further and explore how I can contribute to the projects at [Company's Name]. Thank you for considering my application. I look forward to the possibility of an interview.

Sincerely,

[Your Name]
