Dear [Hiring Manager's Name],

I am writing to express my interest in the Engineering Internship position at [Company Name] as advertised on [where you found the job posting]. Currently, I am pursuing a degree in Environmental Engineering at [Your University] and am eager to apply my knowledge and skills in a practical setting.

Through my academic coursework and hands-on projects, I have developed a strong foundation in environmental science and design, including water and waste management systems. I am particularly interested in [specific areas of interest related to the company or projects], and I am excited about the opportunity to contribute to [specific project or initiative of the company].

I am a highly motivated individual with excellent analytical and problem-solving skills, which I believe would make me a valuable addition to your team. I am looking forward to the possibility of discussing my application further and am excited about the opportunity to learn from [Company Name]'s experienced professionals.

Thank you for considering my application. I hope to hear from you soon to discuss the potential for an internship opportunity.

Sincerely,

[Your Name]
