Dear [Hiring Manager's Name],

I am writing to express my interest in the Research Analyst position at [Company's Name] as advertised on [where you found the job posting]. With a strong background in data analysis, statistical methods, and research methodologies, I am excited about the opportunity to contribute to your team.

In my previous role at [Previous Company], I successfully conducted in-depth market research that yielded actionable insights and helped refine our strategic direction. My skills in [specific tools or software relevant to the role] have enabled me to analyze complex datasets and present findings in a clear, concise manner.

I am particularly drawn to this position at [Company's Name] because of [specific reason related to the company or its projects]. I am eager to bring my expertise in research and analytical skills to your established team.

Thank you for considering my application. I look forward to the possibility of discussing how my skills and experiences align with the goals of [Company's Name]. I am available for an interview at your earliest convenience and can be reached by phone or email.

Sincerely,

[Your Name]
