Hiring Manager

XYZ Company

456 Elm St

City, State, Zip

## **Dear Hiring Manager,**

I am writing to express my interest in the Software Developer position at XYZ Company as advertised on your careers page. With a Bachelor's degree in Computer Science and over three years of hands-on experience in software development, I am excited about the opportunity to contribute to your team.

In my previous role at ABC Corp, I successfully developed and maintained web applications using JavaScript, HTML, and CSS. I also collaborated with cross-functional teams to gather requirements and deliver solutions that improved user experience by 30%. My proficiency in coding languages such as Python and Java, along with my familiarity with Agile methodologies, has equipped me to tackle complex projects effectively.

I am particularly drawn to this position at XYZ Company because of your commitment to innovation and quality. I admire your recent project on [specific project or initiative], which aligns with my passion for creating impactful software solutions. I am eager to bring my background in software development and my proactive approach to your talented team.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences can contribute to the success of XYZ Company. I am available for an interview at your earliest convenience.

**Sincerely,**

John Doe
