Dear [Hiring Manager's Name],

I am writing to express my interest in the Junior Architect position at [Company Name] as advertised [where you found the job listing]. With a Bachelor's degree in Architecture from [Your University] and hands-on experience in design and project management during my internship at [Internship Company Name], I am eager to contribute my skills and grow as part of your dynamic team.

During my academic career, I have developed a strong foundation in architectural principles and design software, including AutoCAD, Revit, and SketchUp. My internship provided me valuable exposure to real-world projects, where I assisted in creating architectural drawings, conducting site analyses, and collaborating with senior architects on various tasks.

I am particularly drawn to [Company Name] due to [specific reason related to the company or its projects], and I believe my fresh perspective and enthusiasm for innovative architecture could be a great asset to your team.

I have attached my resume for your review and would be grateful for the opportunity to discuss in more detail how I can contribute to [Company Name]. Thank you for considering my application. I look forward to the possibility of working together.

Sincerely,

[Your Name]
