Dear Hiring Manager,

I am writing to express my interest in the Mental Health Counselor position as advertised on your website. With a master's degree in Counseling Psychology and over five years of experience in providing therapeutic support to diverse populations, I am confident in my ability to contribute positively to your team and provide high-quality care to clients.

During my previous role at XYZ Mental Health Services, I successfully developed and implemented individualized treatment plans while fostering strong therapeutic relationships with clients. My background includes working with children, adolescents, and adults experiencing a range of mental health issues, which has honed my skills in assessment, intervention, and crisis management.

I am particularly drawn to ABC Counseling Center's commitment to holistic and client-centered care. I believe in empowering individuals to achieve their personal goals and improve their mental well-being. I would be excited to bring my expertise in cognitive-behavioral therapy and mindfulness techniques to your organization.

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and passion for mental health counseling align with the needs of your team.

Sincerely,
John Doe
