Subject: Feedback on Consulting Practices

Dear [Consultant's Name],

I hope this message finds you well. I would like to take a moment to provide feedback on the recent consulting services you provided to our institution.

First and foremost, I appreciate your proactive approach in understanding our educational needs. Your analysis of our current curriculum was insightful and offered valuable perspectives.

Additionally, I found your recommendations for improvement to be practical and tailored to our specific situation. The strategies you suggested for enhancing student engagement were particularly impressive.

However, I believe there is room for improvement in the follow-up after the initial consultation. A more structured plan for ongoing support would greatly benefit our implementation process.

Thank you for your dedication and professionalism throughout this process. I look forward to our continued collaboration.

Best regards,
