Dear Hiring Manager,

I am writing to express my interest in the Renewable Energy Research Assistant position at [University/Organization Name] as advertised [where you found the job listing]. With a strong academic background in environmental science and hands-on experience in renewable energy projects, I am excited about the opportunity to contribute to your research initiatives.

During my undergraduate studies at [Your University], I focused on sustainable energy solutions and collaborated on projects that explored solar and wind energy applications. My recent internship with [Previous Organization] allowed me to enhance my research skills and gain practical knowledge in data analysis and renewable technology assessment.

I am passionate about advancing renewable energy solutions and believe my skills in [specific skills relevant to the job, e.g., data analysis, project management] will be beneficial to your team. I am eager to contribute to innovative projects that drive sustainable practices.

Thank you for considering my application. I look forward to discussing how my background and skills align with the needs of your research team.

Sincerely,

John Doe
